Presidents Corner

Dear Neighbors,

The leaves are falling and that can only mean one thing – it's time for our last town meeting of the year! Please mark your calendars for our upcoming town meeting on Thursday, November 19th at the MCA Hall. We will be holding elections for the Board of Directors, voting on a new budget, and discussing a variety of topics.

Many of us on the board have been serving for quite a number of years and would welcome some new blood and fresh ideas. We will be taking nominations from the floor. So if you would like to serve on the board and help keep our neighborhood a great place to live, please contact a board member or just show up at the Town Meeting and throw your hat in the ring. The time commitment is not that great. We generally have four board meetings per year about a month before the town meetings. We conduct the rest of our business mostly by email and sometimes by phone.

Our neighborhood committees have also been very busy again this year. The Children's Committee did a great job putting on activities for our neighborhood kids including our Easter Egg Hunt, July 4th Celebration, and Halloween Party. The beach committee and dock committees have been busy as well keeping our facilities looking great and in good repair. I'd like to thank our volunteers for all of their hard work.

We continue to have more neighbors getting involved in community projects. On behalf of the board of directors and the community I would like to say thanks all of you who have volunteered your time and talents over the past year. It makes me happy to see more of our neighbors pitching in to help make Beverly Beach a great place to live. Volunteering is a great way to get to know your neighbors and to keep improving our community.

I hope to see you all at the meeting to visit with your neighbors and to share your ideas and concerns for our neighborhood.

See you there!
Diane Olsen

Gunfire and Illegal Hunting on Beverly-Triton Beach Park

This issue continues to be an concern. Please report anything suspicious immediately!

In the past it has been reported that illegal deer hunting was a chronic, ongoing problem on Beverly-Triton Beach Park property presenting a safety issue to residents residing near park property and anyone walking on park property. Please report gunfire, illegal hunting or other illegal activity to the Maryland Department of Natural Resources Police at 1-800-628-9944, 24 hours a day, 7 days a week.

Please be reminded that deer hunting on Beverly-Triton Beach Park property is illegal and weapons of any kind are also illegal on Beverly-Triton Beach Park.

DNR Police ask that you call providing as much information as possible such as time of day, the direction gun shots were heard coming from, or any other information that may be useful in identifying the perpetrators. If a vehicle is seen, please attempt to get its tag number, make, model and color.

Parking Stickers for Beach and Marina

ALL cars must display a BBCA Parking Sticker to park at the beach and/or marina! AA County Snow Removal

Help AA County Serve You Better -
Their Dos and Don'ts

<http://www.aacounty.org/DPW/SnowInformation/Index.cfm>

DO call 911 for a true emergency such as a need for police, fire, or ambulance service. For scheduled health related medical attention (dialysis, oxygen, etc.), call the Office of Emergency Management at (410) 222-8040. This office also provides transportation of essential medical personnel.

DO know where to call for routine snow removal service. In storms under four inches of accumulation, please call the appropriate district contact number for County-maintained roads. In storms over four inches of accumulation, please call (410) 222-4040 for service on all County maintained roads. Any road with a route number is the responsibility of the State Highway Administration. You can contact them at (410) 841-1002.

DO park your vehicles in your driveway if possible. On-street parking is one of the biggest challenges our snowplow drivers face. If our snowplow drivers feel

they cannot safely access your street, no service will be provided. If off-street parking is not available, it is strongly recommended that you park your vehicles on one side of the road to insure accessibility for our snowplow drivers. This is especially important on hills, dead-ends, and cul-de-sacs.

DO caution your children to stay clear of snow removal equipment.

DO volunteer for the Snow Patrol to assist the elderly and disabled citizens of Anne Arundel County by contacting the Volunteer Center for Anne Arundel at 410-897-9207. For more information about the Snow Patrol, please visit their web site at www.VolunteerAnneArundel.org.

DO be patient. We prioritize our plowing operations to get you moving as quickly as possible. We start with main and collector roads, problem intersections, and steep hills and severe curves in communities. We then continue on to the remaining community streets.

DON'T leave your trash can, recycling bins, or other obstacles in the street. Our drivers thank you for helping them to perform their job safely.

DON'T place snow from sidewalks or driveways in the street. Placing snow in the street could contribute to a greater amount of snow being pushed toward your property as the plow passes by.

A Friendly Reminder about Trash Collection Days

We'd like to remind our neighbors to please put out their trash and recyclables no sooner than the evening before scheduled pickups. Wind, weather, and wild life can wreak havoc on our bags and bins and we'd like to keep blowing trash and rolling cans off our streets.

Here are the Guidelines from the county's website. You can get full details about Recycling and Trash Collection at the county website: <http://www.aacounty.org/DPW/WasteManagement/>
