Southern District Community *Alert*

The Anne Arundel County Police Department's non-emergency line for calls for service is 410-222-8610. It has come to our attention that this number has the possibility of being long distance for some of our citizens living in South County. To accommodate those citizens, the department has created a second number that may also be used during non-emergency situations. The new number is 410-222-8181. This number will not carry long distance charges for those citizens wanting to utilize our non emergency hotline for calls for service.

NON-EMERGENCY NUMBER

410-222-8181

Please contact Sergeant Timothy Davis (410-222-1960) with any questions.
